

Byhus til salg i Alcaudete, Jaén

53.000€

This property is situated in the middle of the popular historical town of Alcaudete, in the province of Jaen, Andalucia, Spain is just waiting for someone with D.I.Y. skills to put their stamp on it and get it finished the way they want. It's not far from the Castle and close to local shops. The ground floor consists of a lounge with stairs to first floor and a ground floor bathroom (unfinished) and at the back a kitchen diner with a door out to the patio. On the first floor are three (could be more) planned bedrooms and another bathroom with access out on to the sun terrace with Castle views. With the major part of the renovation already done it just needs to be finished off and the modernization of this 147m2 build townhouse completed. Doors and tiles for both upstairs and downstairs are included and in the property.
