50.000€

This far larger than it looks town house has an entrance on two streets, a garage and on street parking and views to die for. Enter the front door to a hallway with an under stair cupboard and door to the garage which has a wash room at the rear. Up the stairs there is a shower room and three bedrooms, up further stairs is the kitchen, dining area, lounge, bathroom with full size bath and a door to the outside patio with a laundry room off it. The access door to the street at the back is here, then a few more steps lead to another bedroom with en-suite and access to the terrace over-looking the town of Martos and its hill. More steps lead up to another terrace with, if possible, even better views. A delightful house with lots of space yet with a cosy feel plus easy parking, located in the town of Martos in the Jaen province of Andalucia, Spain.
