A double, under-build parking space & a storage room also included in the price.

Built & designed following the highest quality standards & using first-class materials & equipment thus ensuring maximum comfort for its future owners. Supplying sophisticated features including; a built-in wine unit with a background decorated in natural stone & a modern home automation system from your smartphone with control for lighting, window blinds, underfloor heating temperature by individual rooms & video intercom. All properties have access to the onsite gym & 25m long, communal swimming pool surrounded by sun loungers, Mediterranean palm trees & shrubbery.

Located in an exclusive & privileged complex, Las Colinas Golf & Country Club is situated in a 330-hectare valley between hills, near the Mediterranean sea, on a championship golf course. An ecological development with low housing intensity, blending in with its natural environment of 200,000 m2 of beautiful landscapes featuring panoramic walks through fauna & flora.

The golf course extends through the valley between the hills, adapting to the peculiar topography of the land & merging naturally into the landscape. The forgiving fairways, the extensive design of undulating greens & the numerous tee boxes at each hole give it great versatility, making it suitable for professional competitions, whilst at the same time offering any standard of player a fun & enjoyable game.

The complex offers a multitude of services onsite for its owners; tennis, paddle tennis, fitness, massages, golf, trekking, restaurants, a mini market with freshly baked bread & much, much more!
