Casa la Huerta - A village house in the Lucar area. (Renovated)

*** REDUCED ***

A charming and deceptively spacious, fully furnished traditional 4 bedroom, 2 bathroom village house situated on the outskirts of the village of Cela which boasts a natural thermal spring pool which is open for swimming all year round.

The village also offers a grocery shop and several tapas bars / restaurants. The nearby valley town of Tijola is only a 5 minute drive and offers all amenities including supermarkets, shops, banks, a post office, petrol station, and a 24 hour medical centre.

This two storey village house has been renovated throughout whilst maintaining a traditional feel with features such as exposed wooden beams.

With access via a short track from a tarmac road, the property benefits from a good sized patio / garden area with storage shed on the opposite side of the track.

The patio offers ample space for off road parking and a shaded seating area for alfresco dining.

The front door opens into an entrance hall which leads directly through to a spacious kitchen / diner. The kitchen is fitted with a good range of base units, and has a free standing 5 ring gas cooker, microwave and fridge freezer, along with a dining table and chairs.
