

Villa til salg i Mijas, Málaga

345.000€

With stunning view down to the coast we are pleased to offer this 2287m² plot in the up market urbanization of Valtocado in Mijas.

The fenced plot has had retaining walls already built and is ready for the construction of a villa. Under the general plan 87 the plot has a build capacity of 0.17% so you can build a villa up to 345m² with 2 floors ground and upper and the basement area being designated for a garage and storeroom.

Valtocado is well connected to local towns of Alhaurin el Grande Mijas and Fuengirola

The plot has town water and electric and has a metal storage unit for materials

Priced to sell early viewing is recommended.
