

5 soveværelse Landsted til salg i Higuera de la Sierra, Huelva

700.000€

Next to the Sierra de Aracena and its Natural Park, just 68 km from Seville, is this beautiful 21-hectare estate, with holm oaks and a beautiful stream.

The property has very good access to the national road to Seville & Lisbon.

A beautiful farmhouse built in the 80s, with more than 300 built m2, the house has five large bedrooms with two bathrooms.

A wonderful living room with a fireplace occupies the main part of the house, along with a dining area. The high ceilings give the house a stately appearance.

There is also a large fully fitted kitchen, an office area and a pantry.

The house has a large garage, storage room and firewood attached.

Next to the house, we find a beautiful pool with a bar area and a large solarium overlooking a wonderful Mediterranean landscape of holm oaks and olive trees.

There is also out buildings for livestock.
