

Jord til salg i Javea, Alicante

170.000€

This flat, sunny plot has an area of 1000m² and is located in the quiet neighbourhood of Costa Nova. The plot is urban and footpaths and lighting are already in place. Water and electricity are also already present and there is connection to the public sewage network. Just 5 minutes' drive away you reach the idyllic pebble beach Granadella and less than 10 minutes' drive away you reach the sandy beach. Within walking distance you will also find several restaurants, bars and a tennis club. On request, you can receive a copy of the urban development report.
