

2 soveværelse Lejlighed til salg i Los Dolses, Alicante

159.000€

We are pleased to present this beautiful south facing ground floor apartment in a very sought after community of Los Dolses. The kitchen has been renovated to a very high standard leading on to the large open-plan living/dining room and then to the south facing terrace with sea views. We have 2 large bedrooms with the master bedroom having access to the terrace and then we have the family sized bathroom with utility area. This fantastic community has 2 large pools, communal solarium, communal games room with pool table, ping pong table and bar area, minigolf course, ground level communal parking and lifts running through Underground the property comes with a private parking space and there are many private storage units available. The property is fitted with top quality Aircon units, ceiling fans and underfloor heating throughout.
