

5 soveværelse Lejlighed til salg i Torrevieja, Alicante

530.000€

Location, location, location! This is what it is all about when it comes to real estate. The very best is rarely for sale, but sometimes it still happens and that is when you have to be spot on and ready to go. This is one of those very rare occasions. This one of a kind has just hit the market. It is a luxury apartment close to everywhere in the centre of Torrevieja and so near to all amenities. The seaside promenade starts right on the doorstep, the Plaza Miguel Hernandez is just around the corner, the main Plaza de la Constitución is within a two-minute walk and so are the main shopping streets. The apartment comprises of 5 bedrooms, 4 bathrooms, a beautiful and big lounge and dining area, a semi-open kitchen with separate storage room. From the balcony you can enjoy the most beautiful sunsets and the view towards the Marina Int'l and the Royal Club Nautico. The property sells with most of the furniture included. In the underground there is a private parking for you. The standards of the building, the apartment itself and the great location make it a perfect combination for someone looking for a luxury home in the heart of Torrevieja.
