

4 soveværelse Villa til salg i Benidorm, Alicante

499.950€

Pure luxury 4 bed 4 bath Detached Villas now under construction .

This unique construction project is handed over and will be key ready in August 2016. There are so many features that any one seriously interested in being one of the first to reserve is advised to contact us to discuss further.

One of the many features is the saltwater private pool with infinity view (you have views directly from the pool to Benidorm up to Alicante). The front windows are polarized, sunshine comes in but no heat, underfloor heating in all bathrooms, Domotika (control of the entire house via a smartphone) Wifi , internet and much much more. Bankers guarantee with all properties. Please contact us for more details. We now have the plans .. so get in early to reserve one of the best plots. We would also be delighted to show you other complete complexes and properties built by same builder . All legalities are in place.
