

4 soveværelse Byhus til salg i Gaucin, Málaga

450.000€

For sale in Gaucin village - Serrania de Ronda..

Beautifully restored authentic large 4 bed 3 bath townhouse with guest annex , heated plunge pool, walled garden patio and terraces . This property has some of the best views in the village - Panoramic vistas to Africa, Gibraltar and the sparkling mediterranean sea .

This substantial old house has been creatively refurbished over the years by its British owners, but traditional rustic character and timeless charm remain in abundance. Ageless Moorish features combined with a welcoming Andalusian ambience and all mod-cons, have created a comfortable and attractive 'home-from-home' property.

The house is very spacious and is tucked away in a quiet cul-de-sac towards the south east corner of the village. There are stunning views across the picturesque countryside to the Mediterranean coastline, Gibraltar, and beyond to the mountains of Morocco. A few minutes stroll away, you will find a variety of shops, tapas bars & several high-quality restaurants.

Every level of the house is brimming with traditional character & quirkiness, including oak beamed ceilings, rustic terracotta floors, hand-glazed tiles, exposed stone walls, lots of nooks & crannies. There is aircon in all mains rooms, and a guest annex at the highest level of the house accessed by an external staircase.
