

Erhvervsjendom til salg i Algorfa, Alicante

85.000€

An opportunity has arisen to purchase the freehold of the former Johnsons Supermarket on the La Finca Commercial Centre in Algorfa.

The unit has services connected along with wiring for a CCTV system (not tested) along with a storeroom and WC at the back. At the front the counter has water connections for a dishwasher.

La Finca Golf is an expanding community and the Commercial Centre is the heart with many bars, restaurants and other services. There is a mix of permanent and holiday makers and the centre enjoys a good footfall.

The area doesn't currently have any shop or supermarket facilities with the nearest shop being in Algorfa village and supermarkets in Benijofar or Ciudad Quesada.
