

20 soveværelse Landsted til salg i Carmona, Sevilla

2.500.000€

Welcome to this hacienda in Carmona, a unique property that offers a perfect combination of history, luxury and versatility. With an area of 23,000 m2 and an impressive 2,800 m2 main house, this hacienda is a true treasure nestled in the heart of the region.

The two-story main house exudes Andalusian charm. From its spacious living rooms to the fully equipped kitchen, each space is infused with elegance and authenticity.

A large central patio connects the different rooms, providing a cozy and pleasant atmosphere. It is the perfect place for events, celebrations and special moments.

Two impressive rooms, equipped with kitchens and wine cellars, offer an exceptional space for celebrating weddings, communions and special events.

The main house has a carefully designed layout, with three living rooms, an office and a bedroom with a private bathroom. Additionally, seven bedrooms and six bathrooms offer comfort and privacy.

Eight independent rural houses, with one, two and three bedrooms, bathroom, living room and kitchen, provide charming accommodation for those seeking a unique rural experience.

The property has a chapel, stables, a tent with pigsties and two swimming pools, adding a touch of versatility to this incredible complex.
