

2 soveværelse Andet til salg i Javea, Alicante

280.000€

This exclusive complex with 2, 3 and 4-bedroom homes, including ground floors with gardens and penthouses with large private terraces - all with garage and storage room - is located in Javea, just 500 m from the beach and all services. A common area with swimming pools, gardens and indoor and outdoor community premises completes the complex, which is

located in the very heart of Javea. From the living room or bedroom you can see the impressive north face of the Montgó, the

extensive field of the Marina Alta and above all, feel the constant presence of the sea. The complex also has magnificent common facilities: an exterior social club next to the pool and another interior with a kitchen and an attractive fully equipped gym. Spacious and welcoming spaces where you can play sports, get in shape or spend a pleasant time with your family, friends and neighbors. The apartments are sold without furniture and with electric appliances.

The following apartments are currently for sale (including garage and storage room):

Portal 1:
