

2 soveværelse Lejlighed til salg i La Cala de Mijas, Málaga

454.000€

Great investment opportunity!

Just launched July 2023 and already selling fast!

New construction of 48 homes in a central position in La Cala de Mijas, with a choice of 2 or 3 bedroom apartments & penthouses. Each home has a large terrace with wonderful sea views! Also, each unit comes with a parking space + storeroom.

Prices from €454,000.

Construction starts in April 2024 with handover expected in June 2026.

The complex offers landscaped gardens with swimming pool & gym. 1 parking space and 1 storage included in the price. South-west orientation.

The area has become exceptionally popular, with all services in places around the corner of the complex, including wide & sandy beaches, boardwalk, etc.

Prices in this area for both new developments and resale properties have risen substantially over the past 5-6 years securing new home owners exceptional investments along with a new quality home in one of the most desirable areas on the entire Costa del Sol.
