

2 soveværelse Lejlighed til salg i Villaricos, Almería

135.000€

Harbour Lights IV is located opposite the charming small refurbished Esperanza Harbour in the unspoilt and simple fishing village of Villaricos. Following the successful completion of Harbour Lights I and II, Harbour Lights III provided the first courtyard, gardens and community swimming pool for the complex. Now, Harbour Lights IV offers two, and three bedroom properties, both townhouses and apartments, of which some have gardens, 3 beds have solariums and all are provided with underground parking. Prices start from the price shown, contact us for more details.
