

5 soveværelse Landsted til salg i Isla Cristina, Huelva

360.000€

Two pretty attached country houses, one with traditional Spanish tiles on a plot of 15.000 m2.

The first attractive house is right at the end of a cul de sac with beautiful open countryside views yet only 5 minutes from beautiful beaches. Centrally located 10 minutes from the motorway to Seville and Faro in Portugal and close to the neighbouring villages and towns of La Redondela, Isla Cristina, Islantilla, Lepe and Ayamonte.

You enter through large iron gates and there is a fruit and vegetable garden to the front of the house.

The villa has 5 bedrooms and is all on one level and beautifully furnished with Spanish tiles. There is a large Conservatory room as you enter the house which has a large bedroom to the right.

You then enter the spacious lounge with open plan American style kitchen and to the left there are two double bedrooms and shower room with power shower. To the right there are two further bedrooms and a large bathroom with corner jacuzzi bath.

Outside there is plenty of hard standing and a vegetable plot which leads to the 10m2 swimming pool, stables and outbuildings to the rear of the house. The field to the rear of the house is perfect for keeping horses or for agriculture. The second property which is attached and registered on the same plot of land is in need of some TLC but is still a great property with an attractive plot of land. This property has a further 3 bedrooms and two bathrooms. The large meadow is on a separate plot but is being included in the sale.

Well worth viewing!
