

## 5 soveværelse Byhus til salg i Loja, Granada

59.900€

This townhouse has much to offer and is set out over many different levels. The main house opens straight in to the main sitting area with 1 good sized double bedroom on the left. Take two steps down and there is a spacious kitchen which looks out to a patio area. To the right of the kitchen is a separate dining room and a 2nd ground floor bedroom. Out on the rear patio is a full bathroom and utility room. This area also has storage and gives access to three rooms which were used as a commercial kitchen area many years before, when the family ran a butcher's shop in the town. The patio area also has a stairwell to a partially covered terrace. Upstairs there is a second full family bathroom and a further 4 bedrooms all bright and spacious. This is a large property which needs some attention but has a lot of space to work with, well worth viewing !
