

3 soveværelse Byhus til salg i Fuente Tojar, Córdoba

23.000€

This 3 bedroom townhouse with a private garage is situated in the traditional Spanish village of Fuente-Tojar close to the popular town of Priego de Cordoba in the wonderful Andalusian countryside. On the market for 23,000 euros the property is priced to renovate and add value. Located on a quiet level street with parking right outside, there are at present 3 entrances to the townhouse including the private garage which leads to an inner reception room with under stairs storage and a room with an open fireplace, from here you enter the private patio space with mature planting and a large storage room as well as access out to the street behind the property. Stairs from the reception room take you to the first floor where you have a further 3 rooms.
