

## 4 soveværelse Byhus til salg i Antequera, Málaga

**93.000€**

This large Townhouse is located in the quiet pretty village of Canada de Pareja, in the Malaga province of Andalucia, Spain, with good access to the motorway the property is just a short drive to the historical town of Antequera. The property is set out over two floors and has a private terrace and views over the surrounding countryside. The ground floor has a typical Andalucian entrance hall which leads in to a good sized kitchen with plenty of storage and a separate pantry. A central hall continues to a spacious living area, a full family bathroom and 4 good sized bedrooms. The property also has a separate lock up garage with room for 2 cars. This is a great property in a truly lovely location, well worth viewing.
