

4 soveværelse Byhus til salg i Antequera, Málaga
93.000€

This large Townhouse is located in the quiet pretty village of Canada de Pareja, with good access to the motorway this property is just a short drive to the historical town of Antequera. The property is set out over two floors and has a private terrace and views over the surrounding countryside. The ground floor has a typical andalucian entrance hall which leads in to a good sized kitchen with plenty of storage and a separate pantry. A central hall continues to a spacious living area, a full family bathroom and 4 good sized bedrooms. The property also has a separate lock up garage with room for 2 cars. This is a great property in a truly lovely location, well worth viewing.
