516.000€

We present this new launch of residential complex of apartments 10 minutes from Puerto Banús (Marbella) very close to the Botanical Park and the Resort Golf la Resina.

the apartments are 2 or 3 bedrooms from the ground floor to the penthouse

This new Urbanization enjoys excellent accessibility to the main roads of the province, which places it 10 minutes from Puerto Banús and less than 45 minutes from Malaga airport. The quality of its beaches, services and accessibility has been recognized by a record number of blue flags.

Oscar Puga, architect founder of TAU 2000, affirms that "good architecture is that which adapts to us and to the environment, that which facilitates our life without denying its context". Thanks to his sustainable and innovative approach, he and his team have designed and carried out projects that are characterized by exquisite landscape integration. His brilliant professional experience and his knowledge of local conditions have made Capri a fully adapted complex that does not renounce its own architectural singularity. A unique habitat born from the perfect balance between design and nature.
