The appliances in the kitchen and white goods are one year old, so as good as new.

All licenses are present and the café inside can accommodate 32 people, the terrace at the front 30 people and the terrace at the back with a beautiful view for 8 people.

Furthermore, the entire administration can be viewed, so that you get a good overview of the net income. Currently, the café is open 30 hours a week, but there is a lot of potential to be open for more hours, including weekends.

Please feel free to contact us for a viewing and to discuss further details.
