

3 soveværelse Landsted til salg i Alcala la Real, Jaén

89.000€

Situated in a rural location in Las Caserías, which is only 4.4kms from the popular historical city of Alcala la Real in the south of Jaen province in Andalusia, Spain. This 3 bedroom countryside home comes with a generous sized plot of 4,457m² with its own private drive and stunning views. In need of renovation throughout, the property has electricity connected and well water but is priced to sell and gives the new owner the opportunity to create a private rural home with lots of land in the wonderful Andalusian countryside. You approach the property via a private drive which leads to a car port and you enter the Cortijo into a lounge with a double bedroom on the right. Ahead is a room which could be a separate diner or a ground floor bathroom. From the lounge you access the kitchen area with an open fireplace. Stairs lead up to the large unconverted first floor where you have space for 2 further bedrooms and a bathroom. This Cortijo property is all about the substantial private land and those spectacular views plus with electricity already on site should ensure this renovation project could be carried out on a limited budget if needed.
