

Jord til salg i Iznajar, Córdoba

160.000€

This large urban plot of land is located in the town of El Higueral just 15 minutes drive from the beautiful lake Iznajar in the province of Cordoba. The town is centered around a church square and has local amenities including local store, bar & pharmacy. The plot of land is urban and permission to construct a maximum of 22 properties. This would be an amazing opportunity for a constructor as the land is surrounded by stunning Andalusian countryside.
