Semi-detached villas with 3 bedrooms, 3 bathrooms, large terrace (119 m<sup>2</sup>), solarium (57.24), private pool (10m<sup>2</sup>), garage and storage room. These villas are also located in an urbanization that has 2 communal swimming pools, so if you need it you can also cool off under the Spanish sun. All this in a strategic location not far from the center of Torrevieja and not far from the main roads AP7 and the N332, allowing you to travel in any direction with ease. In addition, the university hospital of Torrevieja is not far away if you need help quickly, something that people do not always think about, but which is of course important. The Torrevieja region (Campoamor - Villamartin) is also known for its excellent golf courses and if you enjoy shopping there are also 2 shopping centers in the region. For the distance to Alicante airport (Elche), it takes you about 50 to 60 minutes by car. If you would like more information about these villas, the region, what you should take into account when purchasing a property in Spain, or any questions you may have, please do not hesitate to contact us and we will be happy to help you .
