MODERN PENTHOUSE WITH 2 BEDROOMS, 2 BATHROOMS, TERRACE, SOLARIUM, PARKING AND STORAGE IN TORREVIEJA

Beautiful Penthouses, with a total of 2 bedrooms, 2 bathrooms, 1 terrace (total 18.50 m2), a large solarium (73.40 m2), with beautiful views, as well as a garage and storage room in the basement. These Penthouses are located in a beautiful urbanization that has 2 communal swimming pools, so if you need to cool off, you can go there. All this in a strategic location not far from the center of Torrevieja and not far from the main roads AP7 and the N332, allowing you to travel in any direction with ease. It is best to go to the nearest beach (Playa de los Naufragos) by car, bicycle or public transport, because it is just a bit too far on foot (3.5 km) or about a 45-minute walk. In addition, the university hospital of Torrevieja is not far away if you need help quickly, something that people do not always think about, but which is of course important. The Torrevieja region (Campoamor - Villamartin) is also known for its excellent golf courses and if you enjoy shopping there are also 2 shopping centers in the region. For the distance to Alicante airport (Elche), it takes you about 50 to 60 minutes by car.

If you would like more information about these penthouses, the region, what you should take into account when purchasing a property in Spain, or any questions you may have, please do not hesitate to contact us and we will be happy to help you .
