

4 soveværelse Byhus til salg i Priego de Cordoba, Córdoba

93.000€

This spacious 217m² build, 4 bedroom, 2 bathroom townhouse with a private garage is situated in Campo Nubes halfway between the large historical and popular towns of Priego de Cordoba and Alcaudete and just a short drive to the Parque Natural de las Sierras Subbeticas, one of the most beautiful parts of inland Andalusia. Located on a quiet, wide street with on road parking right outside the property, you enter the townhouse into a bright, wide hallway with a ground floor double bedroom on the left, to the right is a spacious country style kitchen with a formal dining area. The hallway continues into a good size lounge with a feature fireplace and off which is a ground floor shower room, from the lounge is access out into a tiled passageway that leads to a large patio space which includes a covered area with a chimney, ideal for a barbecue and for alfresco dining, there is also a sunny area with mature planting that leads to the rear of your private garage. A staircase from the lounge takes you to the first floor with a spacious shower room on the left, to the right is a landing from where you have 3 further double bedrooms, with the front bedrooms having wonderful countryside views.
