

3 soveværelse Villa til salg i Purias, Murcia

240.000€

Welcome to an exceptional project of detached villas with large plots, in a strategic location in the southeast of Spain, which combines the tranquility of the countryside with the proximity to the sea and the city, as well as to the main services and good road communications with the main airports. Relaxation and tranquility begin from the moment you arrive at your home.

This is the perfect place for outdoor living areas, including the possibility of making your own pool and setting up your own garden to your liking. Detached Villa with 3 bedrooms and 3 bathrooms, can be adapted to the needs of any family. The key to this house is the light and openness to the outside of all its spaces. The house is divided into two floors, which perfectly separate the life of the day area and the night area. Porches, balconies and terraces, and numerous windows flood it with light and fresh air, being totally exterior in all its rooms. As well as light, it is also important the space, very well used, minimizing the passage areas and thinking about storage, with fitted closets in all bedrooms.

The day area is dominated by a spacious living room, fully communicated with the outside through its large windows with direct access to the terrace. The kitchen flows into the dining area, through a serving hatch window, being perfectly integrated into daily life, being bright, and with a tremendously practical space to furnish to your liking. To complete this area a double bedroom and is also perfect for an office, next to it, a full bathroom with a large window to the outside.

A staircase leads to the upper floor, a large window with access to a balcony. Two double bedrooms, one of them also has access to another balcony. The third outdoor space on this floor is a solarium terrace ideal for enjoying the outdoors and the views of the area. The master bedroom, with full bathroom en suite. A third full bathroom for the use of the whole family.
