486.200€

A house is much more than just a home, it is a set of elements that must be played perfectly to orchestrate the most important work: the symphony of your life. This exclusive project is an exclusive project located in Cancelada, one of the best areas of the new Golden Mile of Estepona. The residential complex has 82 accommodations spread over 4 floors, mainly duplexes, 2 and 3 bedroom apartments with terraces and/or gardens, as well as penthouses with solarium. All properties have a storage room and garage, and most of them offer magnificent views of the Mediterranean Sea.

In the surroundings of the project you will enjoy a peaceful area where nature takes center stage, permeating the locality with green spaces and practically reaching your future home, thanks to the presence of a magnificent park right in front of the promotion. This consolidated area is chosen every year by thousands of tourists who stay in luxurious hotels such as the Kempinski Resort Hotel (one of the Leading Hotels of the World), or the fantastic Villa Padierna. Cancelada is also a key point for golf lovers, as some of the most important golf courses in Andalusia are nearby: Flamingos Golf, Cancelada Club Golf, El Campanario Golf & Country House, Atalaya Golf & Country Club, among others. And if your passion is horse riding, you'll find paradise at the Escuela de Arte Ecuestre Costa del Sol, a center approved by the British Horse Society.
