

## Erhvervsejendom til salg i Cervera del Maestre, Castellón

298.000€

An opportunity to purchase a great establishment in the centre of the historic village of Cervera del Maestre. This beautifully designed restaurant/pub is characterized by its exposed stone walls, arches and olive wood elements. It has a large bar and fully equipped kitchen and two bathrooms. In addition, the premises have a garden of more than 170m<sup>2</sup> at the back.

On the first floor there is an open room with the possibility of building a home or rooms.

The property has hot/cold heating/air conditioning installed, piped music and is soundproofed.

In addition, it has all licenses and permits.
