

8 soveværelse Villa til salg i Ecija, Sevilla

500.000€

Welcome to the rural living in this Country House with 2 swimming pools, a property that redefines elegance and comfort in a natural setting! A house distributed over two floors, this property is an exceptional retreat for those seeking a relaxed lifestyle.

The property sits on a generous 8000 m2 plot, offering a private and expansive space to enjoy the tranquillity of the natural surroundings.

Immerse yourself in the coolness of your two pools, one of which is a children's pool, each designed to provide an oasis of relaxation and entertainment in the sunshine.

Main House:

Ground Floor:

Grand Central Hall: Upon entering, you will be greeted by a grand hall that serves as a connecting point to all areas, providing a feeling of spaciousness and welcome.

Common Rooms, Two bedrooms, a large dining room and a bathroom offer a comfortable and welcoming space for everyday living.

The living room with fireplace is the heart of the house, with exit to the porch and pool, creating a perfect transition between indoors and outdoors.

The large kitchen with office and laundry room, with exit to the garden, is the perfect place for preparing meals and family gatherings.

Upper floor:

Six bedrooms, three bathrooms and a powder room on the upper floor provide a private and peaceful retreat.

The master bedroom is a sanctuary in itself, with a private bathroom, dressing room and a large terrace that offers
