

2 soveværelse Villa til salg i Punta Prima, Alicante

248.000€

Beautiful and sunny upstairs bungalow with a private patio on the ground floor, a balcony to South-East, and a huge over 50 sqm solarium soaked in sun. The solarium gives possibilities for sunbathing, having a barbecue, and enjoying the Spanish climate. The living room is spacious, and the large glass doors to the balcony let in plenty of natural light. The master bedroom has an en-suite bathroom. Both bathrooms have a shower.

The community has large communal areas: a swimming pool with kids' pool, outdoor gym, children's playground, a spa with heated pool and sauna. You can park your car on the street or in the parking garage in your private spot.
