This is a great blank canvas of a building. It does require a reform to be liveable, but the views are fantastic from the rear of the property. Centrally located in a thriving village, there is a great amount of potential to make this house your own. There is a small grassed area to the back which can be built on, for example a garage with solarium/terrace, which would not be overlooked. There is also the opportunity to purchase the small garage/building to the side of the house, increasing the overall size. We are specialists in the Costa Blanca and Costa Calida specialising in the Alicante and Murcia Inland regions with a particular emphasis on Elda, Pinoso, Aspe, Elche and surrounding areas. We are an established, well known and trusted company that has built a solid reputation amongst buyers and sellers since we began trading in 2004. We offer a complete service with no hidden charges or surprises, starting with sourcing the property, right through to completion, and an unrivalled after sales service which includes property management, building services, and general help and advice to make your new house a home. With a portfolio of well over 1400 properties for sale, we are confident that we can help, so just let us know your preferred property, budget and location, and we will do the rest.
