

## 3 soveværelse Byhus til salg i Martos, Jaén

33.000€

This 3 bedroom town house is in the lower part of Martos in the Jaén province of Andalucía, Spain, close to shops and banks. The front door is off a sloping, narrow street, cars can get access to the front door, but can't park outside, making it a quiet street. The front door opens into the living room with the kitchen off to the left and the stairs between them. On the first floor there is one large bedroom on the left, another good sized bathroom on the right and ahead a small landing area with the shower room to the left and winding stairs on the right leading up to another bedroom, a store room or summer kitchen with access to the terrace. There is another small terrace area to the side which is only accessible from the terrace and over the roof. A ready to live in house needing cosmetic touches. The property also has double glazing throughout.
