

5 soveværelse Byhus til salg i Riogordo, Málaga

99.000€

This furnished 5 bedroom townhouse property is located in Riogordo, a village in the Axarquia region of the province of Malaga, Andalucia, Spain. The house consists of two floors, distributed as follows; the ground floor is accessed from the main street by steps leading up to a large uncovered porch that allows you to enjoy taking in the fresh air and also wonderful views of the mountains. From the porch there is access to a bright living / dining room, which leads on the left to two double bedrooms and to the front to a well equipped and recently refurbished kitchen and further on to the patio, which leads on the left to a laundry area and storage and from the right hand side of the patio a staircase leads to a private terrace from where you can also see the mountains. From the kitchen to the left side is a newly renovated bathroom with a bathtub. From the kitchen stairs take you up to the first floor where there are a further 3 double bedrooms, 2 of which overlook the main road and one overlooks the courtyard of the house. Riogordo has a municipal swimming pool, library, ethnographic museum and an olive cooperative which produces some of the best olive oil in the province. The property is only 40 kilometres from Malaga. Reduced to Sell, now under 100K and being sold furnished is ready to move into, well worth a visit.
