NEW PRICE.

If you are looking for a great property to take great relaxing holidays or live in full-time, then this property is it. It has previously been reformed to a high standard and now offers everything you need, with just some cosmetic updating, to make it the perfect home.

On the ground floor is a lovely sitting room with woodburner, fitted kitchen / diner and a full bathroom. There is access from here to two lovely patios areas with great views and room for an above ground pool or hot tub. There is also a 2nd shower/wet room here too.

On the 1st floor, there are 3 double bedrooms. It would be easy to create an additional bedroom, bathroom or sitting area by dividing up the largest bedroom area or you could add a corridor to make the 3rd bedroom more private. There is plenty of street parking available by the property, and the house is being sold fully furnished.

The village is totally charming with lots to do, so this property is perfect for a family. There are several shops and bars within easy walk and the town of Martos is about 20 mins drive. There is a lovely municiple pool open in the summer months with a great restuarant open all year round. There are several fiestas held throughout the year which welcome locals and visitors alike to join in and enjoy the Spanish culture, food and festivities, this village has to offer.

Santiago de Calatrava in Jaen is an attractive little town surrounded by olive groves to the west of the province. With less than 1,000 in habitants, except in the summer months when many return to the family house to escape the heat of summer in the larger towns and cities. Its less than 40 km from Jaen City, one hour 30 will have you in Granada at either the airport or the Sierra Nevada Ski resort and one hour 45 will have you at Malaga and the airport.
