Oh wow this house is amazing...so deceiving from the outside, but once you go through the front door you are in a huge property that has been reformed to a very high standard...and there's more! Out the back is another building off a lovely private patio, just ideal as a cottage for renting out, or for the family when they visit or a self contained apartment for teenagers etc...endless possibilities. It has a summer kitchen already and a room upstairs for the ideal bedroom. There are steps from the patio to a covered roof terrace on the main house - also accessed from inside one of the upstairs bedrooms..in fact it could even be a sitting room as its huge! In the main house there is a lovely sitting room, then separate dining room, plus a gorgeous well fitted kitchen with dining area and off this another room used as a 2nd sitting room or study. Upstairs are 2 double bedrooms and a triple bedroom with doors to the roof terrace. The house has two fully fitted bathrooms. No expense has been spared on this property and its in the perfect location, on the edge of the town with the countryside just minutes walk up the road. Just about perfect. It has aircon and heating too.
