

2 soveværelse Byhus til salg i Martos, Jaén
40.000€

Great house for the money and in a nice part of town too. Its ready to live in and would also rent well to locals if you are looking for an investment. The furniture is included in the sale price too. its in excellent condition too. Inside there is a nice sitting room and fitted kitchen, utility area, full bathroom plus a 2nd large living / dining room. Upstairs there are two bedrooms and a lovely roof terrace with nice views. So as well as local long term renting, it could also make a good holiday home which would rent well too for people wanting to experience this popular, very spanish town, that has everything on your doorstep.
