70.000€

Here we have a really lovely reformed village house, that has fantastic views in the popular village of Bobadilla de Alcaudete

Downstairs there is a nice lounge, a large fully fitted kitchen, fitted bathroom and utility area plus, access to the patio and terrace outside.

Upstairs there are 2 bedrooms, a nice hallway with access to the bathroom and terrace with great views.

The property has been totally reformed. It now has new plastering, new electrics and plumbing. It also has new windows and doors, new fitted kitchen and bathrooms and benefits from air-conditioning/heating units.

This is perfect as a family home and great for holidays too. The village has a range of amenities including bars, shops and a bank and pharmacy, all within walking distance of the property. There are lovely terraces where you could fit a plunge pool to relax in whilst taking in the great views.

As with most Spanish villages, Bobadilla hosts a range of fiestas throughout the year and is perfect for those wishing to immerse themselves in the true Spanish lifestyle. The towns of Martos and Alcaudete are a short drive away for a wider range of shops and amenities.

This is a great property at a great price.
