

2 soveværelse Byhus til salg i Martos, Jaén

38.500€

Here we have for sale a townhouse located in a flat area of the town of Martos. There is plenty of space for parking. The 3 floor property is habitable as it is, but requires some general updating and finishing off. The town offers all the services and amenities needed including bars, restaurants, banks and shops all within walking distance. Downstairs you enter into a nice hall which leads to a large lounge, kitchen, bathroom and access to a patio. The patio area has space for a small garden and steps leading up to a terrace. Upstairs there is a sitting area and 2 bedrooms. The larger of the 2 bedrooms has an area currently used as a dressing room but could be changed to an en-suite bathroom. On the top floor there is an open plan room in need of conversion which offers a blank canvas to be changed into an extra bedroom, lounge or whatever you require. With a little work and finishing off, this property could be transformed into the perfect family home for either permanent living or for use as a holiday home.
