

## Erhvervsejendom til salg i Castillo de Locubin, Jaén

**110.000€**

This spacious Cafe / Bar with a modern clean feel is situated in popular Castillo de Locubin close to the historical city of Alcala la Real in the south of Jaen province in Andalucia, Spain. Located in a prominent corner position you enter the property from a safe pavement into the main bar area with air conditioning and a large stainless steel counter top with a good number of bar stools. Behind the serving space you have plenty of storage and a tiled kitchen / food preparation room that needs fitting out and off which is a lounge or could be used for more storage. To the side of the bar is a storage room and a door giving access to the male and female wash rooms as well as out onto a terrace.
