

Andet til salg i Pinoso, Alicante

79.995€

Plot of land with stunning views . This stunning plot of land (15,000m²) just on the outskirts of Pinoso (Encebras) has the most spectacular views. This is a perfect plot to build your dream home in the Spanish countryside. This plot also comes with building permit and water and electricity are connected to the plot boundary. There are neighbours close by, but all properties have been built and designed for privacy and this would be no different.
