

3 soveværelse Lejlighed til salg i Fuengirola, Málaga

870.000€

Spectacular new development located in one of the most sought-after areas. This gated exclusive community offers a range of amenities including a gym, heated pool, jacuzzis, and a coworking space. The location is ideal, with the beach promenade and all necessary services just 500 meters away. Additionally, the Carvajal train station, which provides direct access to the airport and downtown Malaga, is only 300 meters away. One of the key features of this development is the ability for buyers to fully personalize the interior materials of their apartments at no additional cost. For your peace of mind, furniture packages are available. This penthouse boasts stunning sea views and ensures ample sunlight throughout the day. The very large terrace is perfect for enjoying the beautiful surroundings and the solarium is exceptional to enjoy the sun or to have amazing parties. Equipped with underfloor heating throughout and prioritizing quality using top brands and high-quality materials, the result is a top market apartment. R4334272
