630.000€

MODERN VILLAS WITH 3 BEDROOMS, 2 BATHROOMS, SOLARIUM, TERRACE, GARDEN AND SWIMMING POOL IN ALGORFA (ALICANTE - COSTA BLANCA).

These modern villas are part of a project consisting of 20 independent villas of which only 5 of this type will be built. These villas are built as standard with 3 bedrooms, 2 bathrooms, a terrace, a private swimming pool of 7.5m x 4m, a large solarium and a beautiful garden with green areas, palm trees and a parking space under a decorative pergola. If you would like to expand to 4 bedrooms and 3 bathrooms, this is also possible and if you would like to compare the plans, you can request them from us so that you can better estimate the layout of the villas. These villas will be delivered with a finished kitchen with kitchen appliances included, the bathrooms will have underfloor heating and shower screens and there is also a pre-installation for air conditioning in the house.

If you are interested in the other villas within this project, also with 3 bedrooms, 2 bathrooms and solarium, you can find them on our website (WWW.GLOBAL-SPAIN.COM) under the following reference: GS1808. The reference of the villas discussed above can be found on our website under the reference: GS1807

The location of this project is ideal for golf enthusiasts as these villas are surrounded by golf courses (la Finca Golf), but beach lovers can also quickly enjoy the beach and the sea, as well as the wonderful weather, by driving 25 minutes or 19 km by car. In addition, the connecting roads to Elche airport (Alicante) are well located so that you have a smooth connection and it takes approximately 39 minutes to drive to these beautiful villas.

If you would like more information about these villas, the region, what you should take into account when purchasing a property in Spain, or any questions you may have, please do not hesitate to contact us and we will be happy to help you.
