102.950€

A charming first floor corner apartment (top floor) with a large private garage and communal swimming pool.

The property has its own individual entrance from the street with leads onto a side garden where there is a staircase to access the property.

The apartment is divided into 2 double bedrooms (both with fitted wardrobes), 1 bathroom, fully fitted open plan kitchen, and a large open plan lounge with dining area (with an open fireplace) which walks out onto a sun terrace leading up onto a large solarium.

The property also has a large private garage of approx 35m² (in addition to a large driveway) located at the back of the property, which is accessed via a private gated road. It also has a private garden at the back of the property next to the garage, which is much larger than the average due to its unique location on the road.

The apartment also backs onto a green belt area with views of the green, giving the property a lovely out view.

This apartment is ideally located within walking distance to amenities. An ideal home, holiday home and/or a great rental property!
