Solana Village is a new project with apartments that Taylor Wimpey España has designed to complete its real estate offer at the La Cala Golf Resort next to Harmony and Natura.

The residence is being built at the top of the hill overlooking the Europa Golf Course, in a fabulous position that provides panoramic views of the golf course and some of them to the sea. All the apartments are East or South facing, meaning that they enjoy plenty of light all day long.

Solana Village is located near to the Club House and the Hotel & Spa, where owners of Taylor Wimpey properties in the Resort can take advantage of the benefits and discounts provided by the Privilege Card.

Solana Village completes the range of apartments and townhouses already in existence at La Cala Golf Resort. Ideal for families looking for a holiday home or investors looking for a property to rent out for the summer season with a good return.

The project is split over two independent plots with 105 and 90 apartments, integrated into a common architectural concept. The first line golf apartments are near the hotel, the Clubhouse and the sport area and SPA.

The first phase, Solana Village I, is already underway, with 48 apartments in five buildings with 3 storeys each.

All the apartments have large terraces with glass balcony enclosures so that you can fully enjoy the fabulous views of the golf course and the apartments on the ground floor also have private gardens with views of the pool, resort gardens and the golf course that surrounds the development
