22.000€

Narrow Escape is a super cute little townhouse for sale that needs quite a bit of work, the roof as well, it will need some extensive work, to make it into a cute little hideaway. It would provide a nice sized one to two bedroom quirky home with internal patio, it's currently being used as a bike storage but would be cleared out and cleaned before purchase. Lots of quirky features and in one of our favourite streets with parking close, as well as little corner shops and bars dotted within a short walk. Floor Area: 140 Bedrooms: 2 Bathrooms: 1
