

3 soveværelse Lejlighed til salg i Torrevieja, Alicante

320.000€

La Playa del Acequión is the playa más central al sur de la ciudad de Torrevieja. All lado se encuentra también la Playa de los Náufragos y juntos marcan unos 6 km de playa de arena de la ciudad para disfrutar todo el año. Rodeado de comercios, bars and restaurants, la Playa de Acequión es de las zonas more bonitas frente al mar y a muy poca distancia andando al centro de la ciudad.

Here and on the very first line of the sea are the Navamares buildings. On the sixth floor and with impressive views is this 3 bedroom, 1 bathroom and 1 toilet apartment. The center of the house is, as it should be, the noble and beautiful living-dining room with the open kitchen. The apartment is on the corner and therefore you can enjoy the view from every room and especially from the living room. The spaciousness of the living room is due to the fact that the entire terrace of the house of approx. 40 m² was integrated into the living area during a complete renovation of the house a few years ago.

The house consists of about 110m² and is sold furnished and equipped.

And to complete the offer, all the residents enjoy a community pool between the two Navamares buildings.

These opportunities rarely come up for sale, and when they do, it's best to move fast so they don't slip away.
