179.950€

SIERRA Design

The houses that we carry out have a high-class construction, through the use of top quality materials.

HOUSING QUALITY WARRANTY

The identification system of the houses is the names of well-known Spanish authors. The foundation of the warranty is the use of top quality materials.

All the materials used in the construction of the houses are of high quality, being able to choose between different options according to the client's preferences.

All our houses have been built with a construction system that allows for the installation of air conditioning and other services.

The exterior finishes are made of PVC and double glazing to ensure adequate sound and thermal insulation.

The exterior carpentry is natural wood or in the customer's choice.

If the client wishes, the pool construction of the chosen dimensions can be carried out.

The exterior construction of the house adapts to the plot where it is located, prioritizing everything necessary for good use and enjoyment of it.

All our projects can be adapted to suit the client.

Modelo SIERRA

Las viviendas que realizamos tienen una construcción de alta categoría, mediante utilización de materiales de primera calidad.

MEMORIA DE CALIDADES DE LAS VIVIENDAS

El sistema constructivo de las viviendas se realiza mediante estructura de hormigón armado. Se construyen siempre en bloques independientes entre bloques.

Los grandes ventanales favorecen el aislamiento acústico para proteger a los viviendas una alta cualificación energética.

Nuestro sistema constructivo garantiza un aislamiento acústico de primera calidad, que se garantiza en las viviendas gracias a los materiales de calidad.

En la cubierta se utiliza cerámica impermeable para asegurar un mantenimiento perfecto.

Los acabados interiores de pavimentos y cielos rasos son de alta calidad, pudiéndose elegir entre una gran variedad de colores.

Nuestro sistema constructivo garantiza una construcción de alta calidad, mediante utilización de materiales de primera calidad.

El sistema constructivo de PVC y doble vidrio para asegurar una adecuada aislamiento acústico y térmico.

La carpintería exterior se realiza siempre en madera o a elección del cliente.

Si el cliente lo desea se puede realizar la construcción de piscinas de las dimensiones elegidas.

La urbanización cuenta de la vivienda en altura a la propia planta en planta, consiguiendo una perfecta integración con el entorno y una perfecta integración.

"New Villa Off Plan", Style "Sierra".

The price includes construction, project fees of senior architect + technical architect direction, building license from town hall, geotechnical studies and concrete tests. This price does not include the purchase of the land, water and electricity connections. We can build this project in Hondon Valley or any of the surrounding areas. We can also provide the plots for you (we have plots in the area with water and electricity connections, or we can build this as "Off Grid" as well, if you prefer. A swimming pool of 8x4 meters + concrete terrace can be added to the project for an extra cost, also a guest "casita", garage or barbecue can be quoted separately (please ask us for a quote without any compromise). Hondon Valley is a very well located area where you have all services and amenities for your day a day living such as shops, bars, lovely restaurants, doctors, school, gym, etc.

Please, do not hesitate to contact us for further details or to arrange a first meeting with our architect and builder to discuss the project of your "Dream Villa in the Sun".

Living in Macisvenda

Macisvenda is located in the Eastern Region of Murcia, on the border with the Valencian Community. The peculiarity of its semi-desert climate offers a landscape of oasis in which the rambla palm tree stands out haughtily. The source of the river Chicamo gives this municipality some spectacular landscapes that will transport the visitor to film scenes, where he can discover from very arid areas where the loamy lands are capriciously sculpted by erosion, to rich fertile orchards, natural water sources, hundreds of hectares with millenary olive trees and mountains.
